

## Call for Abstracts

**The IPRN – Schizophrenia International Research Society Conference  
“Prodromal” Satellite**

**Firenze Fiera Congress Center, Florence, Italy**

April 14, 2012: All-day symposium on prodromal psychosis research, featuring invited talks in the areas of prediction, mechanisms of onset, and prevention of psychosis, and lunchtime poster session.

### Abstract Submission (for Poster Session):

Under an abstract title and list of authors (including email address for presenting author), provide a 300-word structured abstract clearly describing the background, aims, methods, results, and conclusions of your study. All abstracts will be reviewed by the program committee and considered for inclusion in the IPRN poster session. You may submit the same abstract as for the SIRS meeting.

E-mail your abstract to [iprn2012@gmail.com](mailto:iprn2012@gmail.com) before **March 31, 2012**. Abstracts received after this date will not be considered.

All presenters must be registered before presentations will be accepted.
