Cognition in Schizophrenia:

A Satellite Meeting of the Schizophrenia International Research Society

We are holding a cognition satellite meeting the day before the SIRS meeting in Florence. This meeting will be held all day on April 14, 2012 at the Boscolo Astoria Hotel in via del Giglio. We have confirmed presentations from Distinguished Italian and International Presenters and we are developing the rest of the program from the submissions of the participants.

Registration for the meeting is online at the SIRS website.
<http://www.schizophreniaresearchsociety.org>

We will have a full day of thematically organized presentations and a lunchtime poster session. Attendees are welcome to submit abstracts for oral and poster presentation until March 15. The program committee for the meeting will decide on presentation modality based on the submission. You may submit the same abstract as for the SIRS meeting, using the downloadable abstract form to:

[Florence2012@ med.miami.edu](mailto:Florence2012@med.miami.edu)

and let us know your preference for type of presentation and whether you will not accept an alternative modality

Registration fees are:

| | |
|--|------|
| Students, not presenting: | € 75 |
| General Registration and <u>all presenters</u> : | €125 |
| Industry Employees | €150 |

Note that these fees are determined by the cost of meeting only and we are not receiving any outside funding for this event. Continental breakfast and light lunch provided.

On site registration will be on a space available basis and will be €200, cash only.

Inquiries other than abstract submission can go to:

Philipdharvey1@cs.com

Thanks for your Interest in this meeting.
